

N.V.K.S.D.COLLEGE OF EDUCATION
(AUTONOMOUS)
(Affiliated to Tamilnadu Teachers Education University)
Attoor post, Kanniyakumari District,
Tamil Nadu-629177.

BEST PRACTICES
BEST PRACTICE-1
Title: Mission Library Launch
Objective:
To enhance reading habits of students of neighbouring schools
Context
While visiting neighbouring schools, teacher educators and student teachers found that schools lacked infrastructural facilities. Moreover, school students did not have reading habit. The college took initiative in serving schools by setting library.
Practice
Book donation campaign was organised where students, staff and alumni donated books
Collected books were donated to school.
School library was set up with necessary infrastructure and books.
Evidence of Success
Creating library in school with infrastructural facilities resulted in enhancing school students' reading habits
Problems encountered
Difficulty in collecting books in time Challenge in coordinating students in library setting
BEST PRACTICE-2
Title: Exploring the world of Science
Objective: To promote scientific attitude among school students through utilisation of Science park in the college
Context
As recommended by NEP 2020, scientific temper is an idea to be scrutinized. Moreover, teachers have to teach the future generation learners with innovative methods. Hence the college undertook training programmes for B.Ed. students to help school students develop scientific

temper.

Practice

College set up Science Park, training given to prospective teachers B.Ed. students undertook training in conducting science experiments School students visited college to learn science experiments

Evidence of Success

Wide scope of experimentation in practice teaching school

Problems encountered

Difficulty in training all students in a single phase.
