REPORT ON STUDENTS SATISFACTION SURVEY: 2017-2018

The institution has been undertaking serious measures that focus on barrier free and holistic development of students. Many facilities are provided in the institution for the student teachers to enhance their teaching competencies by adopting various modes and strategies for effective curriculum transaction. In order to gain an understanding of student satisfaction, a survey is conducted and it is analysed. The survey gives an insight into the teaching learning process of the institution.
