## INSTITUTIONAL DISTINCTIVENESS (2019-2020)

Keeping in view the vision to develop new generation teachers with right attitudes, ideals, values and global standards, during the current academic session, the following practices were carried out. To produce a new generation who practise the great ideals of Indians and to develop globally competent teachers with technological and interpersonal skills, the college continued with its policy of offering rich theoretical and practical experiences. This would enable the students to develop various dimensions of their personality with appropriate knowledge, attitude and skills, civic sense and psychosocial capabilities. Interactive teaching - learning processes were followed through group discussions, seminars, debates, workshops, brainstorming sessions and research colloquiums. Various Transaction Modes and instructional materials were used. Practical Activities, Extension Activities, Computer Literacy, Learner Centered Methods, variety of Evaluation Methods all help in developing world class teachers. In the morning assembly all the students are given opportunity to speak on various topics related to education, value systems and current issues. It helps to identify leadership qualities and enhance communication skills. Value based activities help to overcome problems, improve teacher behaviour and self discipline. Student seminars give a platform for public speaking to the students. Study tour help to broaden the horizon of their knowledge. The institution organized debates, quizzes, digital slides, and movie shows to supplement the syllabi. Courses on Gender equality and inclusion, Environmental education as well as enriched curricular and co-curricular activities help to acquire desirable values and attitudes for developing into a competent teacher. The college adopts the policy of internal exams also. Uniform examination schedule was notified, question papers were set and answer books were printed and allotted to the students. Their copies were evaluated and suggestions were made for improvement of each and every student. This encouraged them to excel in the final exams. The college provides opportunity for sharing of inter-cultural values. Our students secure medals in the sports events conducted by the affiliating university. There is always a high demand for admission to the college comparatively. There is also high demand for the college products in the schools for placement.
